## **Book Chapters**

---

Luz María Letelier, Gabriel Rada, Daniel Capurro, Solange Rivera, Victor Montori. Chapter 17.2 Examples of Likelihood Ratios in User's Guide to the Medical Literature 2<sup>nd</sup> Edition. 2008 American Medical Association

## **Academic Experience**

---

2006 to date      Instructor  
Department of Internal Medicine – School of Medicine  
P. Universidad Católica de Chile

2006 to date      Researcher  
Evidence Based Healthcare Program  
School of Medicine  
P. Universidad Católica de Chile

## **Grants**

---

2008              Co-investigator  
Intensified versus standard insulin therapy in the General Internal Medicine ward.  
National Health Research Fund  
Chilean Ministry of Health

2007              Co-investigator  
Selection of interventions for AUGE health conditions.  
Chilean Ministry of Health

2006              Co-investigator  
Disease burden and effectiveness of interventions for the AUGE plan.  
Chilean Ministry of Health

## **Clinical Experience**

---

2006 to 2008      Attending

	General Internal Medicine Ward Hospital Clínico P. Universidad Católica de Chile
2007 to 2008	Attending Medical Intermediate Care Unit Hospital Clínico P. Universidad Católica de Chile
2006 to 2007	Resident Medical Intensive Care Unit Clínica San Carlos de Apoquindo P. Universidad Católica de Chile
2003 to 2006	Resident General Internal Medicine Ward Hospital Clínico & Hospital Dr. Sótero del Río P. Universidad Católica de Chile
2001 to 2002	Intern Hospital Clínico & Hospital Dr. Sótero del Río P. Universidad Católica de Chile
2000	Intern Emergency Medicine Unit Chilean Air Force Hospital
